

EXOTIC CACTUS FLOURISHES—This Star cactus, grown by Inez Helms, 737 S. E. Ave. A, should have been featured in this month's Texas Monthly feature on stars in Texas. The yellow blooms with deep red centers unfold into perfectly shaped stars and each day that they are open they become smaller. These blooms measure about 12 inches across. The first bloom measured 14 inches. The two-year-old plant will have about 10 blooms this season. Mrs. Helms received a start of the plant two years ago from Fern Taylor. The plant thrives in Mrs. Helms' backyard in direct sunlight and is kept indoors by a window during the winter.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

The Hamlin United Way fund raising campaign kicked off its third year here Monday and this could be the most important year yet. The first year was easy as everyone supported the idea of one campaign instead of many, but things began to slip last year and it was a struggle to get close to the set goal.

If Hamlin is to continue to meet the needs of our community through the idea of a one-time-a-year fund raising campaign then more people are going to have to support it.

We still have too many people that will give a little everytime you ask them but will not add it all up and give it at one time. Not only will they not give more all at one time, they also will not make a monthly pledge and give a little each month.

You can not support 17 organizations with one, five or even 10 dollar donations. This is not to say that small donations are not appreciated, they are. But those who are able, must give more than this if the concept of one fund drive a year is to work.

So please remember when that United Way volunteer worker calls on you to give generously. And at the same time it would not hurt if you expressed your appreciation to him or her for their time spent in helping to make Hamlin a better place in which to live.

Although you can not tell it by the temperature, fall is here and with the coming of fall and winter the days are getting shorter. And with shorter days it stays dark longer in the mornings.

We point this out just as a safety reminder to the many people who are out walking and jogging early each morning. It would be well if each of you would remember to wear something white so that early morning motorists can see you.

We would also like to pass along a plea to the many unthinking people who make a habit of throwing trash on other people's yards. This is a special problem for those people who live on the more heavily traveled streets.

Most of these people work hard at keeping their yards looking presentable but find it disheartening to spend more time picking

Hospital Gets \$12,500 Grant For Ambulance

The Hamlin Hospital District received word this week that it had been approved for \$12,500 matching fund grant from the Texas Department of Health Resources for the purchase of emergency medical equipment, according to Mrs. Billie Speck, administrator.

The Housing, Education and Welfare Department grant would be for an emergency medical vehicle and radio equipment.

Mrs. Speck said Tuesday that the Hospital Board and the Hamlin City Council will meet in the near future to work out the arrangements for the matching funds.

She also announced that an emergency medical service training class will be held in Anson with personnel from both Hamlin and Anson hospitals taking part. The class will begin in October and is funded by the West Texas Council of Governments.

Host Colorado City

The Piper Junior Varsity football team will host Colorado City here tonight (Thursday) with the kickoff set for 6. The Middle School teams will travel to Munday today with the first game starting at 5.

IN OLNEY HOSPITAL—

Stonewall Judge Hurt In Throckmorton Wreck

Aspermont — Stonewall County Judge Bill Gholson and his wife are still hospitalized in Hamilton Hospital in Olney for injuries sustained in a head-on collision near Throckmorton Tuesday, Sept. 20.

Before Game Supper Set

A Spaghetti Supper sponsored by the Licensed Vocational Nurses Association, Div. 73, will benefit members to attend the state convention in Lubbock, Sept. 26-29. The Association plans to send several representatives.

The supper will be served from 5 to 7 p.m. Friday at the high school cafeteria before the Hamlin-Munday football game.

Plates will be \$2 each and will include spaghetti, salad, hot rolls, cobbler, tea or coffee.

Gholson and his wife, Jenora, who was driving the Gholson vehicle, were involved in the accident in which Vivian Hilley Harrington, 64, of Throckmorton was killed and her husband, driver of the second vehicle Paul Silas Harrington, 64, was injured.

The accident occurred at 6:20 p.m. 5.2 miles east of Throckmorton on U. S. 380.

A report from the judge's office Monday was that he was still in serious condition and surgery will be required for a crushed hip. He also suffered four broken ribs. His condition remains the same and he is expected to be transferred to Abilene or Lubbock for the surgery.

Mrs. Gholson sustained a broken knee and her condition is improving. She too, will be transferred, with her husband.

Funeral for Mrs. Harrington was held at 2 p.m. Thursday in the First Christian Church of Throckmorton.

HORNETS TO KNOX CITY—

Pipers to Open District Friday With Munday

The Pied Pipers (1-2) will host the Munday Moguls (2-0) in Piper Stadium Friday evening in what is expected to be billed as the top District 7-A contest as the eight teams open up conference play.

Other district openers include the Aspermont Hornets (0-3) at Knox City (3-0), Haskell (1-2) at Paducah (0-3) and Rotan (2-1) at Crowell (3-0). All district games have 7:30 kickoffs.

Only two games were played by District 7-A members last week with the Aspermont Hornets losing to Spur, 27-0, and Haskell losing to Stamford, 7-3. The other six teams were idle.

After four weeks of non-conference play, and 24 games, District 7-A finished just above the 50 percent mark with 12 wins, 11 losses and one tie. The Crowell Wildcats and the Knox City Greyhounds are the only two undefeated and untied teams going into conference play. Munday is undefeated but was tied by Seymour.

The Rotan Yellowhammers will go into district play sporting a 2-1 record, while Hamlin and Haskell are both 1-2 after three games and Aspermont and Paducah are still seeking their first wins.

The Pipers are likely to be rated as underdogs here Friday night when they open defense of their District 7-A crown. The Pipers opened the season with a win over the Stamford Bulldogs, but then lost their next two games to Wylie and Anson. While playing a weaker schedule, the Moguls have been tied by Seymour and hold wins over both Rule and Rochester.

Coach Bill Grissom had hoped that the extra week off would help his team get back to full strength before district play started as he has had a number of injuries plaguing the team since the season opened.

Although a number of the Pipers are expected to be in better condition following the open date, Coach Grissom apparently will have to find a substitute for one of his key

players for at least the next week or two.

Starting guard, linebacker and punter, Vance Lakey is expected to miss Friday night's contest and probably will be out at least another week with a bad ankle.

The Pipers are expected to need all the help they can get on defense to stop Munday's All-District runningback Robert Spells. The big 195-pound senior carried the ball 20 times against the Pipers last year for 114 yards.

Joining Spells in the backfield will be Carey Sawyer, 160-pounds, at quarterback; Ison Murray, 140-pounds, at fullback; and Kevin Herring, 170-pounds, at the other halfback.

In the line it will be Larry Welch, 170 pounds, and Tony Urbanczyk, 170 pounds, at tight ends; Phil Johnson, 185 pounds, and Y Rameriz, 230 pounds, at the tackles; Ronnie Phillips, 185 pounds, and Daniel Adams, 185 pounds, at the guards; and Joe Nelson, 170 pounds, at center.

\$1,000 Donation Opens United Way Campaign

The Hamlin United Way fund raising campaign kicked off here Monday evening with the announcement of a \$1,000 donation. Joe E. Ford, president of the organization, announced the gift at the kick-off meeting of division heads and workers.

He told those gathered in the fellowship hall of First Baptist Church that 12½ percent of the \$14,000 goal had already been reached with the first two donations.

The highlight of the meeting was the presentation of checks to the 1977 Poster Contest Winners. The youngsters and their parents were on hand to receive the checks. The winning posters along with the other posters will be placed in the downtown businesses this week.

In opening the meeting, Ford said that the United Way organization is the "Dream of many people" here in Hamlin and that if everyone will give their fair share there will be no problem in reaching the \$14,000 goal.

Mrs. Roy Pritchard, general fund chairman, told those present, "We came so close last year and if we all get out and work we can reach our goal."

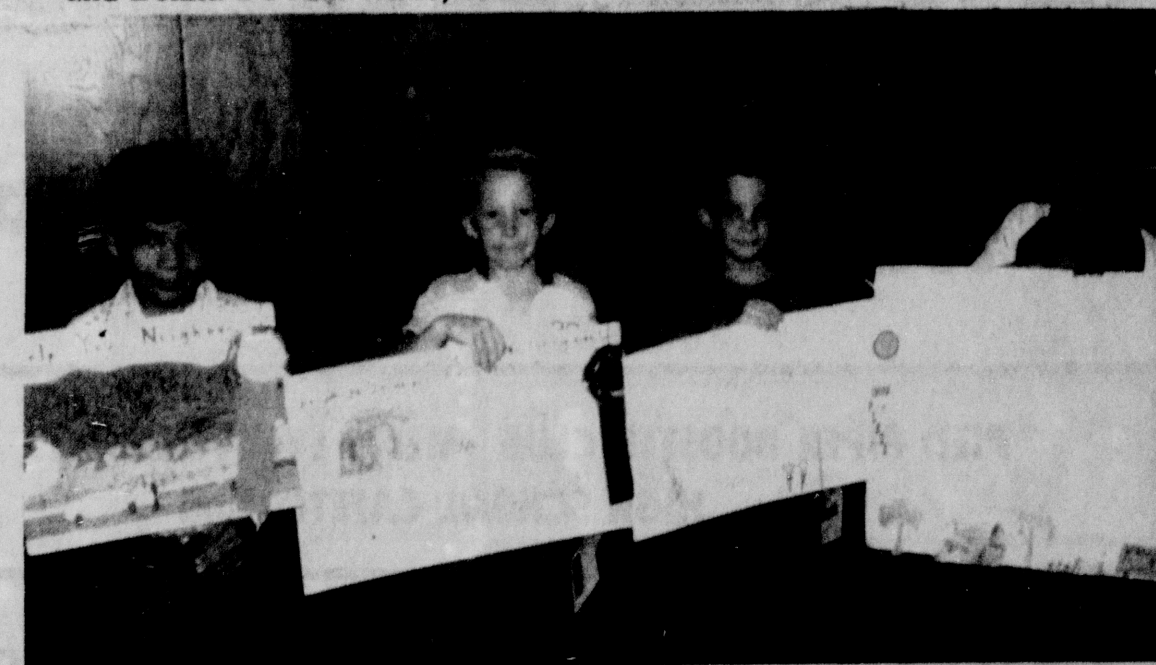

Division heads were given their share of the pledge cards at the close of the meeting and work on the drive got underway Tuesday.

Poster contest winners were named in three divisions with checks being presented to the top four winners. Receiving checks were:

Second grade: Frankie Chavez Jr., first; Russell Green, second; Gary Young, third; and Chad Cowan, fourth. Third and fourth graders: Paula Prewit, first; Becky Chavez, second; Kim Daughtery, third; and Susan Waldrop, fourth; Middle school: Katrina Bogle, first; Susan Stafford, second; Jimmy Woods, third; and Donna De Ann Willis, fourth.

PRESENTED CHECKS—Winners in three divisions of the United Way Poster Contest were presented checks for the first four places Monday. Winners in the third and fourth grade division receiving checks were, front row, left to right, Paula Prewit, first; Becky Chavez, second; and Kim Daughtery, third; Susan Waldrop, fourth (not pictured). Middle School division winners were: back row, left to right, Susan Stafford, second; and Jimmy Woods, third. Not pictured were Katrina Bogle, first; and Donna De Ann Willis, fourth.

POSTER WINNERS—Winners of the second grade division of the United Way Poster Contest were presented checks Monday evening at the kickoff meeting for the annual fund raising campaign. Second grade winners, left to right, are Frankie Chavez Jr., first; Russell Green, second; Gary Young, third; and Chad Cowan, fourth.

ON STAMFORD SQUARE—

Stenholm Expected to Announce For Congress At Rally Monday

A large political rally is scheduled for the downtown square in Stamford Monday at which time Charles Stenholm is expected to announce his candidacy as a democrat for the House of Representatives, 17th District.

Stenholm, a Stamford farmer and a Jones County native, will be seeking the Congressional seat of another Jones County native, Omar Burleson of Anson. Burleson announced last month that he will retire at the end of his present term.

The Stamford rally, on the northwest corner of the square, will begin at 6 p.m. with entertainment and free hot dogs and cold drinks.

Following the Monday evening rally, Stenholm and his wife, Cindy, and a number of his supporters will leave early Tuesday morning for a tour of 23 communities in the District. Taking two buses, Stenholm will travel the eastern half of the district while Cindy will cover the western half. The two will meet in Big Spring that evening for a 7 o'clock rally. Prior to Monday's expected

announcement, Stenholm is scheduled to resign at noon today (Thursday) from the State Agricultural Stabilization and Conservation Services Committee. He was appointed to this committee this past summer.

Stenholm is expected to be the fourth democratic candidate to announce for Burleson's place in the House. Others already in the race are A. L. (Dusty) Rhoades of Abilene, Jim Snowden of Tye and Jim Baum of Big Spring. Bill Fisher of Abilene is the only announced Republican candidate.

Providing entertainment for the rally in Stamford Monday evening will be the Stamford High School Band, several area stage bands, Roland Smith and the Roadrunners, a country western band, and Stacy Angle of Knox City, who will sing.

Stamford mayor Gary Mathews will be master of ceremonies. Special guests will be introduced beginning at 7 p.m. and at about 7:30, Stenholm's family will be

introduced to the crowd. Stenholm's expected announcement will come next and a news conference will follow the address.

At the conclusion of the announcement and news conference, there will be square dancing on the street inside the square. All area square dancers are invited to attend the rally and the dancing afterwards.

In the event of inclement weather, the rally will move to the Stamford High School auditorium.

Senior Citizens To Eat At School

Senior citizens will be served the noon meal today from 10:45-11:15 in the high school cafeteria. Today's menu will be chicken spaghetti casserole, tossed salad, English peas, hot rolls. The meal for Thursday, Oct. 6 will be turkey and dressing.

Reservations for the meal are to be made each week by calling Mrs. T. C. Gregory, Mrs. Ples Farrell or Mrs. Raleigh Bond on Tuesday.

News deadline is noon Tuesday in Hamlin

Pat Ward to Launch Own Show On KTXS

Aspermont—Pat Ward, a talented Aspermont housewife and mother who has become quite a television personality by regular visits on an Abilene talk show, will have her own part on television on another channel beginning Wednesday, Oct. 5.

Mrs. Ward will be presenting 15-minute segments on Henry's Den, a morning show on Channel 12, Sweetwater KTXS. Her show is scheduled on Monday, Wednesday and Friday mornings.

The morning show hosted by Michael Henry Martin begins at 9 a.m.

She will be writing her own script and will be in charge of advertising for her portion of the show.

Mrs. Ward, who has developed her talents in the last few years, received her first exposure on television on the Natalie Powers Show, KRBC-TV.

She is well-known for her many talents in Aspermont which include unique cake decorating, creating fashions from the unusual, and painting, using many mediums.

Using disclots for the fabric, Mrs. Ward fashioned a bathing suit, a cover-up, and a sundress. She complemented the sundress with matching sandals which she created of decorative rope.

When seeing her paintings, one wonders if she has had art lessons. Her answer is "No, I haven't. I sometimes amaze myself with what I am able to create. I just start and an idea keeps growing," she says.

If she sees an object that she wants to use in a painting, she just sketches it. One example is a ceramic owl which she used as the subject for a glass painting.

Her recent interest in glass painting includes framed three dimensional pictures. Several pieces of glass are used and layered with a different part of the picture.

GIRL SCOUT NEWS Elect Officers—

Girl Scout Troop 300 met Monday afternoon and elected officers for the year.

Regina Kelly was elected president, Rita Williams, vice president, Nancy Jeffrey, second vice president; Elaine Wade, secretary; Donna Willis, treasurer; Danna Schuette, reporter; and Annette Woolf, assistant reporter.

Plans were made to have a slumber party Saturday at 6 p.m. at the scout hut and cook a well balanced meal to complete requirements for a cooking badge.

Cadette Troop—

Cadette Scout Troop 358 met Tuesday at 4 p.m. at the Girl Scout Hut with Jeanie Cooper as leader.

The next meeting will be Tuesday, Oct. 4, at the Hut. All girls in the seventh and eighth grades who are interested in becoming Girl Scouts are invited to attend.

Officers will be elected at this meeting.

on each to give the three dimensional effect.

Pat apparently is not afraid of trying something new. This is obvious in her selection as director for the annual homecoming production I've never done anything like this before, she said.

This year's production, "That's Entertainment," was written by Mrs. Ward and Mr. and Mrs. Truette Hennig and features a cast of 45. The production will be given Oct. 13 and Oct. 15 with curtain time at 7:30 p.m. in the high school auditorium.

Phoenix Club To Open New Year October 6

Aspermont—Phoenix Club will meet Thursday, Oct. 6, at 2 p.m. in the Aspermont High School Auditorium.

The "Hands Up" program will be a film presentation and discussion by Sgt. Harold Emerson on rape prevention. He is a member of the crime prevention department in Abilene.

A special invitation is extended to all girls and women in the surrounding areas to attend.

Mrs. Leonard Branch, club president, will preside.

AARP to Hear Program On Hawaii Oct. 6

Mrs. Fred Rosenbaum and Mrs. Earl Brown will present a program on Hawaii for the Oct. 6 meeting of the American Association of Retired Persons in the Fellowship Hall of First Baptist Church at 6 p.m.

Mrs. Rosenbaum and Mrs. Brown went to Hawaii with a tour group earlier this month.

Final plans will be made for the organizations' bake sale to be held Oct. 8 during the downtown sidewalk sale. All members are urged to attend and visitors are welcome.

BRIDGE WINNERS

Winners in the Tuesday evening meeting of Hamlin Duplicate Bridge Club were Mrs. Ray Sonnenburg and Dr. N. R. Kulkarni of Hamlin first; tying for second and third were Mrs. W. O. Willbanks and Mrs. Harvey Elkins of Hamlin and Bob Preston and Dan Smith, both of Abilene.

Jamie Jones Is Semi-finalist In Miss Teenage Competition

Jamie Jones, Hamlin High School junior, and daughter of the Rev. and Mrs. Howard Jones, is one of the 36 semi-finalists in the 1978 Miss Teenage Abilene Competition, according to an announcement made by Duncan and Associates, pageant coordinators.

The first session of preliminary judging will be held Saturday at 9 a.m. in the Abilene Public Library Auditorium. The preliminary sessions are open to the public.

Each semi-finalist will present a two minute individual accomplishment (talent) and will be interviewed individually before the judges.

Since individual accomplishment is looked upon as an extracurricular activity and a developed interest, it does not have to be a professional presentation. Such individual accomplishments as sewing, photo-

graphy, crafts or sports, as well as talents in the performing arts, may be included.

The semi-finalists have already completed the written evaluation, a test prepared and administered by World Book Encyclopedia.

Judges for the first session of preliminary competition are Clark Potts, Mrs. Jimmy Martin III, Jim McCurdy, Mrs. Robert English and James Headstream.

When both sessions of the preliminary judging are completed, Candidates will proceed to the final competition pageant night, when 12 finalists will be named to continue competition toward the title of Miss Teenage Abilene 1978.

The Miss Teenage Abilene Pageant, sponsored by Dr. Pepper Bottling Company of Abilene, will be held at 8 p.m., Oct. 22 at the Abilene Civic Center.

The cooler mornings and evenings that we have had just recently tell us that cooler weather is on the way and it is time to think about a change in pace in menu planning.

If your kitchen has been like mine this summer, the slow cooker has had a rest. The information received this week from College Station reminds us of the convenience of the slow cooking method and I am sure mine will be used soon.

A good stew cooked in the slow cooker and thickened with instant potato flakes and served with cornbread or bran muffins would be my suggestion for a cool evening's meal.

The news release from College Station will give other suggestions and valuable tips.

College Station—Plug in the slow cooker for an easy meal, says Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System. In cooking some dishes you may even leave the slow cooker on all day while you're away from home, the specialist says.

SLOW COOKER SAFETY
Before using the cooker the first time, read instructions and safety rules. Generally the cooker will have a high and low heat setting.

Slow cookers are designed for long cooking time, so food heats slowly, especially on lowest setting. Generally

meat and egg mixtures are cooked longer than six hours on LOW setting to make them safe to eat.

Meat and egg mixtures do not get hot enough in less than six hours to destroy harmful bacteria.

Also, remember that the cooker is hot to the touch during cooking, so use hot pads.

In addition, sudden temperature change may damage the crockery liner of the cooker, so avoid putting cold food or water in it.

Put the food IN before you turn the cooker ON.

SLOW COOKING: Cook with the cover on, except to reduce liquid, as in browning. Enough heat may escape when the cover is removed—to check cooking progress or to stir contents—that cooking time must be extended.

Slow cooking does not LOSE liquids; generally it ADDS liquids—which makes the method especially effective for cooking meats and vegetables. It may, however, also be used for some breads, cakes, and other foods.

Try these: spiced, dried fruits cooked overnight and served with ready-to-eat cereal. Old-fashioned bean soup—start it before breakfast and it's ready at lunch. Add a fresh vegetable relish tray and leftover cornbread—topped and sprinkled with cheese. It's a meal!

For slow cooking by favorite recipes, remember: liquid does not "boil away." At the end of cooking time, there is usually more liquid instead of less. In adapting a recipe to "slow cooking," use about half the recommended water.

Here are general cooking guidelines:

—Allow plenty of time for cooking on the low setting.
—Often steps can be left out of a recipe and all ingredients added at once and cooked 8 to 10 hours at the low setting. Liquid is added last if needed.

—When cooking vegetables, add milk, cream or sour cream during the last hour.

—Brown only fat meats. Fat does not cook off in the slow cooker as in the oven. Brown and drain fat meats before adding to the cooker.

—Add frozen vegetables and seafoods during the last hour of cooking. It is not necessary to precook these.
—Most foods may be cooked on "high" the first two hours to reduce the cooking time, then turned to "low."

Recipes for this column are requested. May we have your favorite to share with other readers?

FROM THE FILES . .

FIFTY YEARS AGO

(September 30, 1927)
Probably everybody has read all about our latest hero, Col. Chas. A. Lindbergh, yet everybody keeps reading of him and admiring him. In fact, no man in this nation has received such applause as Lindbergh, the Columbus of the Air.

Over 75 towns of West Texas had large delegations at Abilene last Monday to see Col. Lindbergh. Abilene did a big thing in handling the throngs who had come miles and miles to see the young man.

From Hamlin there were a great many, however the threatening rain and cool weather kept some away. Hamlin was represented on the Reception Committee by Mayor J. C. Turner.

Did wool coats, old felt hats, and high top shoes, and lot of other things besides summer wear, were dug up last Monday when the first wintery blast struck this country. Tuesday was no better but rainy all day. Frost seemed very eminent and many people began to think summer had gone. However this Thursday afternoon gives proof that summer is NOT gone. In fact there are many more hot and disagreeable days before Mr. Jack Frost comes to stay.

A few days ago a new voice was heard in Hamlin, a new whistle, it sounded strange but joyous—investigation proved it not a new fire engine nor a special passenger train, but it was from the boiler room of the Farm Bureau Cotton Gin. It meant that bale number one had been bound and stood up as the first product from a gin that the Farm Bureau Cotton Association membership had looked forward to for more than two years.

The Senior Class of the Hamlin High School began the year right by appointing the officers they thought would be the best to help make the Senior Class an outstanding class. The election of officers was a very interesting and exciting affair. Superintendent Green took charge of the election. The officers were elected by ballot. After much voting three officers were elected the first day and the fourth officer was elected on the second day. Those officers are: Everett Beaver, president; J. D. Greenway, vice president; Trevett May, secretary; and treasurer and Mary Wagnon, reporter.

TWENTY YEARS AGO

(September 28, 1957)
Charter members and widows of charter members of the Hamlin Rotary Club will be honored this evening at the thirtieth anniversary of the local club being observed at a ladies night at the primary school auditorium.

Besides the charter members of the club but now reside elsewhere, and widows of charter members, a number of other invited guests will be among the attendants. Two outstanding Farm Bureau leaders, Billy Joe Guest, regional director, and Ed Lumbie, district field man, will be present for the Jones County Farm Bureau annual meeting, which will be held Monday night in the Anson High School auditorium.

A few return postal cards from former students of Hamlin High School have been received by officials of the Hamlin Extension Association, sponsoring organization for the third annual homecoming, indicating that the response this year to the invitation may be good.

President Joe Ford of the association said this week that plans are going forward for maintaining a record number of former students.

Complete class rolls for graduates since 1912 have been made, and efforts of members of these groups to get names and addresses of the members have met with much success. However, whereabouts of many of the earlier classes still are unknown. Former HHS students who may be able to assist in locating these are asked to contact Mrs. Jo Riddle, secretary of the association.

The homecoming scheduled for Friday and Saturday, October 18 and 19, will be featured by entertainment features, get-togethers and programs.

Cotton continued to come in by degrees this week as the big crop begins to gradually open. Sixteen bales had been ginned by the Hamlin Farmers Cooperative Gin through Tuesday, according to Watts Fletcher, manager.

First in the new series of national school assembly programs sponsored by Hamlin High School will be presented Wednesday afternoon, Oct. 2, at 2:00 o'clock, it is announced by school officials.

Designed principally for students, the program also is open for public attendance.

Student tickets are 10 cents each performance.

Featured in next Wednesday's program will be Duke Gordon, who shoots his way through a presentation as entertaining as it is informative.

Golfers for seven area towns are scheduled to participate this weekend in the annual Jones County Golf Tournament at the Lakeview Golf Club, southwest of Hamlin, according to B. O. Bell, president of the club.

TEN YEARS AGO

(September 28, 1967)
James Lain had the first bale to be ginned in Hamlin this season. The bale, brought in Monday, weighed 470 pounds out of 2,000 pounds of cotton.

The load was taken to Hamlin Farmers Coop Gin by Lain's father, J. C. Lain. It was the first time for James to have a first bale.

Watts Fletcher, gin manager, said that the first bale would bring a premium price. It was ginned Tuesday and taken to Hamlin Farmers Compress where a bonus of \$50 is given for the first bale. He will also receive a \$50 check from the Hamlin Board of Community Development.

The students and teachers of the Hamlin Elementary School are enjoying a new audio-visual room. The shades have been darkened to help in the showing of slides and instructional materials. Extra reference books have been placed there to make them available to all rooms in the building.

Last year slides were purchased on various topics of reference to subjects. The plans are to add to this collection each year as needs and money permits.

Hamlin High School seniors had success with calendar sales. Six-hundred fifty calendars were sold and 1800 were sold including listings. Girls topped the boys' sales with 707 listings and 372 calendars over 584 listings and 276 calendars. The senior's next project will be Christmas cards. These also may be ordered from any senior.

The Pied Pipers will be matching their tough defense against a high geared offense this week when the Pipers host the Tahoka Bulldogs Friday night. Both teams will go into the game undefeated with Tahoka holding impressive wins over Lorenzo, Crosbyton and Idalou.

up trash than they do mowing.

It is amazing how people with good manners and good upbringing will forget themselves when they are in a car and just throw trash anywhere.

The following are just some odds and ends we have saved up for a week like this when we needed something to fill up the rest of this column:

Points to ponder:

Inflation: A condition where, instead of not having the money you don't have, you have twice as much, but it's worth only half of what you don't have now.

We may kid the postal service, but a stamp is still the best buy in America for only 13 cents a letter can go first class all the way to Alaska—even when its addressed to Pittsburgh.

Computers aren't so wonderful. They can give you the answers but not the problems. A wife can give you both.

In Africa, some native tribes practice the strange custom of beating the ground with clubs and babbling wild, blood-curdling cries. Anthropologists call this a form of primitive expression—in America we call it golf.

Bachelors Beware: Girls who dress to kill often cook the same way.

PAINT . . . Protects wood and metal
GOD'S WORD . . . Protects the soul

As paint protects wood and metal from decay, rust, and corrosion, so the promises found in God's word protect the soul from the evils of sin, anxiety and despair. Hear God's wonderful promises proclaimed from the pulpit in the church of your choice this Sunday. These promises so heard will accomplish wonderful things in your soul and heart, for God says of His Word, "It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it." Isaiah 55:11.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pregnancy Test, Then Cull Open, Late Calving Cows

College Station—Cattlemen are fighting a depressed market, and the situation won't change much in the near future. So now is the time to "clean up" herds by culling open cows and giving more attention to a controlled breeding program by culling late calving cows.

"Although prices are down, they probably won't improve significantly in the next few months, so there's no need to put expensive winter feed into unproductive cows," says Dr. John Spitzer, area livestock specialist with the Texas Agricultural Extension Service. "Culling the cow herd now will also help you plan on hay and feed supplies for the winter months."

Pregnancy testing cows this fall may be a more profitable management tool than ever before, contends the Texas A&M University System specialist.

"It has been tough for a cow to produce a calf large enough to pay her feed bill, so we know an open cow is losing money," notes Spitzer. "In addition, cows calving during the summer months wean calves 30 to 90 pounds lighter than their herd mates which

calve at other times. For this reason it would be advisable to cull cows which will calve late next year and buy a replacement which will calve early."

Whoever does the pregnancy diagnosis (usually your veterinarian) will be able to estimate the calving date on each animal and make it easy to identify next year's late calving cows, points out the specialist. "Your definition of a late calving cow should change every year until your calving season has been reduced to 60 days preferably, and certainly no longer than 90 days. "Removing barren and late calving cows from the herd will increase both the herd's reproductive potential and pounds of calf weaned," emphasizes Spitzer.

Oak Grove Sets Dinner Saturday

The Senior Mission of Oak Grove Baptist Church will sponsor a dinner in Fellowship hall Saturday at 5:30.

Menu includes fried chicken, broccoli and rice,

green beans, fruit salad, hot rolls, assorted pies and iced tea.

Plates are \$2.25 and the public is invited. Maude Paige is president.

Anson Meeting For Wheat Farmers Set Tuesday

An Educational Meeting for wheat farmers will be held at the Activity Center in Anson on Tuesday evening starting at 7:30, according to an announcement this week by Jones County Extension Agent, Kirby Clayton. A slate of three specialists from Texas A&M University Extension Service will be on hand to bring the program.

Norman Brints, Area Extension Farm Management Specialist will discuss the new farm legislation as it affects wheat farmers. He will also discuss alternatives for grazing wheat out as opposed to harvesting for cash.

Dr. Dale Lovelace, Area Extension Agronomist will discuss wheat varieties, wheat fertility and weed control practices.

Emory Boring, Area Extension Entomologist will discuss small grain insect control.

Home Building Clinic Set for Anson Oct. 6

Planning a home building or remodeling project? Have questions concerning foundations, such as whether to have slab or pier and beam? Interested in floor, wall and ceiling construction? Concerned about your houseplan being properly designed according to zoning and traffic patterns of family?

These are just a few of the questions that will be answered at the Home Building Clinic, Thursday, Oct. 6 at 7:30 p.m. in the Anson Activity Center, west of the square across from the jail house, according to Nee Wilburn, County Extension Agent.

Guest speakers for the clinic will include Dr. Billy Stewart, Agricultural Engineer Specialist of Housing, Farm Buildings and Structure and Environmental Control and Pat Seaman, Housing and Home Furnishing Specialist, both of the Texas Agricultural Extension Service.

Consumers wishing to bring plans for assistance from Dr. Stewart or Mrs. Seaman, please feel free to do so.

Middle School Students Get Out Early Oct. 6

Middle school students will be dismissed at 2 p.m. Thursday Oct. 6 and 13, according to Principal Marvin Carlton.

The two early dismissals do not include any students except those in the middle school, Carlton stressed.

In-service training programs are planned for the above dates. Parents should expect children home earlier on these dates or be at the school at 2 p.m. Bus students will remain at school until the busses run at 3:30.

Martha Ellison Receives Army Service Medal

Spec. 4 Martha E. Ellison was presented the Army Commendation Medal for outstanding service at Fort Sill, Okla., while performing the duties of the assistant S-2, 100th Supply and Service Battalion, during the period from Jan. 13, 1975 to Sept. 3, 1977.

The citation was issued by direction of the Secretary of the Army. Spec. Ellison was instrumental in developing and implementing the Battalion training and inspection program for Operations Security and Subversion and Espionage Directed Against the U. S. Army.

"Her initiative and professional competence are best reflected in the outstanding results obtained during annual General Inspections in her area of responsibility, as well as the distinguishment received by the 13 subordinate units in security operations. In the absence of a non-commissioned officer assigned to the position, Spec. Ellison has been performing all of the responsibilities normally accomplished by a Battalion Intelligence Sergeant First Class," the citation noted.

NEWS FROM ASPERMONT

Around Town

By MRS. BROOKS ELLISON
(817) 989-3358

Funeral service for Carl Trammel of San Diego, Calif., a former Stonewall County citizen, was held Sept. 16.

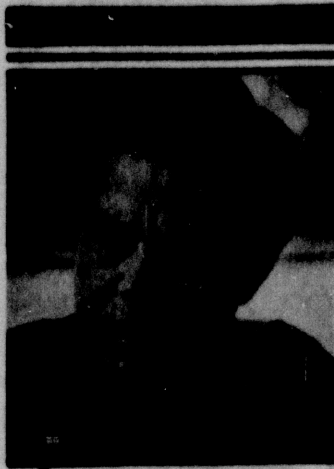

He is survived by his children; four sisters, Mrs. Lola Webber of San Diego, Calif., Mrs. John Walker of Irving, Mrs. Maurice Sharp of Lamesa, and Mrs. Edna Graham of Aspermont and a brother, Fred Trammel of Swenson.

Weekend visitors in the home of Mr. and Mrs. Collie Gilley were Mr. and Mrs. Bill Snellum and Joe and Mr. and Mrs. Mike Yardley, Meilane, and Chris, all of Abilene.

Guests in the home of Mr. and Mrs. Carl Duncan were Mr. and Mrs. Roy Williams of Lubbock.

Mr. and Mrs. Cecil Norris visited in Albuquerque, N. M., in the home of their daughter and family, Mr. and Mrs. Stanley Byrd and with a cousin and his wife, Mr. and Mrs. Ernest Shadle.

Shona Dee and Trevor Ivy of Hobbs, N. M., were visitors in the home of their grandparents, Mr. and Mrs. Walter Ivy, and Mrs. Alfred Rogers.

"I have announced my candidacy for Governor of Texas. I'm confident I can win."

"According to a statewide poll, 8 out of 10 people are ready for a new governor. The poll only confirmed what I've been hearing all over Texas this year. People are against the idea of anyone holding the state's highest office for 10 years. The governor has asked for 10. No governor has been given 10. It goes against a tradition that's as old as Texas itself."

There are other reasons folks are ready for a new governor. State spending has jumped from \$3 billion to \$5 billion the last 6 years. The Dallas Morning News reported, "during Brienzo's years in office, nearly all state government will have gone on a spending spree. And the Governor has done nothing to discontinue it. He's voted less than two-thirds of one percent of the two previous budgets and not one penny's worth of the current appropriations; it's the first time that's happened in twenty years. In a related story, the News pointed to the fact that during the Brienzo years the number of employees paid by the state has risen by 50,000."

"And, while we've heard the boast of 'no new taxes,' we've seen our property taxes increase by \$1 billion along with substantial hikes in state licensing fees."

"I've traveled the state this year, visiting with folks. Whatever their overall assessment, most Texans looked at confidence in the present governor's perspective and vision. They felt he had failed to measure up to their expectations and to live up to his promises."

"Texans are hungry for an effective gubernatorial spokesman on energy policy. They are frustrated that our governor hasn't been able to get the Texas viewpoint across in Washington. They are wondering, too, why our governor hasn't been speaking out forcefully for a farm policy that would keep our beleaguered farms and ranches."

"I fully agree with the people's assessment; that's why I'm seeking the office of Governor."

"I'm proud of my record as Attorney General and Secretary of State. It shows that I'm not afraid to roll up my sleeves and work hard. It indicates that I have the ability to assemble a capable staff, that I prefer to work closely with people, and that I'm not reluctant to make changes when they can benefit the state. It's the kind of governor, given the job."

Political advertising paid by Hill Campaign Committee, John Hill, Chairman, 1015 Brown Building, Austin.

Plans Well Underway For Aspermont Homecoming

Aspermont—"Plans are being made for a very good homecoming this year," says Doris Pittcock, president of the homecoming association for Aspermont and consolidated schools.

Rehearsals are underway for the homecoming production, "That's Entertainment" which features a cast of 45. Rehearsals are at 7:30 tonight (Thursday), 7:30 p.m. Monday; full cast rehearsal Thursday, Oct. 6; dress rehearsal at 7:30, Oct. 12; the first performance, Oct. 13 and the second performance, Oct. 15. Admission is \$2 for adults and \$1 for school age children.

Mrs. Pat Ward, director, said this week that costumes have been ordered and some are being made locally.

Other homecoming activities include a pre-game introduction of players and

their fathers at the Haskell-Aspermont football game Friday, Oct. 14, at 7:30.

During halftime the crowning of the Coming Home King and Queen and the Homecoming Queen will be held.

Saturday, Oct. 15, registration begins at 3 p.m. with the business session at 3:30 p.m.

An Art and Antique Show at the high school building will open at 4 p.m.

A supper will be served in the cafeteria from 5 to 7 p.m.

Mrs. Pittcock repeated "Again, let me urge you to let as many people know about this as possible. There will be no invitations mailed."

Further plans will be announced later, she added.

Funeral Service Held Thursday for Essie Aycock, 90

Aspermont—Funeral for Essie Irene Aycock, 90, was held at 4 p.m. Thursday at the First Baptist Church with the Rev. Clyde Cook of Shallowater officiating.

Burial in Aspermont Cemetery was directed by McCoy Funeral Home.

Mrs. Aycock died Wednesday morning at Gibson Memorial Nursing Home after a long illness.

Born Nov. 25, 1886, in Milam County, she married Guy E. Aycock March 11, 1911, in Stamford. She had lived in Aspermont since her marriage.

She was a member of First Baptist Church. Her husband died June 17, 1964.

Survivors include two daughters, Mrs. A. E. (Inez) Ball of Aspermont and Mrs. Jack (Ruth) Archer of Ackerly; a son, Orville of Stamford; a brother, Turner Dobbins of Stamford; five grandchildren; seven great-grandchildren; and several nieces and nephews.

Pallbearers were Ralph Riddle, Oscar Dickerson, George Frazier, Fritz Burton, Carl Duncan and Fred Martin.

McAnallys Buy Frazier's Cafe

Aspermont—Dean and Sue McAnally, owners of Hickman's Restaurant, have announced the purchase of Frazier's Cafe.

The couple will operate both eating establishments and will continue with the Friday Fish Buffet every Friday evening from 6 to 10 p.m. at Frazier's. Other hours for Frazier's will be from 6 a.m. to 2 p.m. seven days a week.

Hickman's Restaurant is open from 6 to 10 p.m. seven days a week.

FROM THE ASPERMONT STAR

FIFTY YEARS AGO

(September 22, 1927)
Monday night Sept. 12, the Intermediate BYPU honored Miss Irene Damron with a farewell social at the home of Mr. and Mrs. Joe Hudspeth. Several interesting games were played after which delicious punch and cake were served to, Misses Ermine Rash, Imogene Damron, Geneva White, Mary Ellen Britt, Opal and Ruby Lawrence, Hallie Mae and Irene Damron, Lorene and Aleen Copelyn, Agness and Christine Bethany, Bessie Owens and Vera Hughes. Also Messes Joe Hudspeth Jr., James Fitzgerald, J. E. McKenzie, Billie Meyers, Marvin Hughes and Foster Lawrence.

The Willing Workers Class of the Baptist Church were honored by their teacher, Mrs. D. R. Couch at her home Friday night with a porch party. Outside games were played and music added to the enjoyment of the party.

(September 29, 1927)
As County Health Officer, I have been asked by quite a number of citizens as to the treatment of Infantile Paralysis.

We have had two well defined cases in the town and community.

This disease prevails as an epidemic, but will spread by direct communication and convalescents. Carriers, and cases of all stages should be avoided and city and county health officers will take such steps as necessary to put down the spread of this disease, and parents should take care to keep children in, and not travel about unnecessarily until at least cold weather sets in. There is no known specific treatment that can be applied practically.

F. V. McKnight
County Health Officer

News heralding the coming of Col. Lindbergh had been the main topic for weeks and weeks. No time or expense was spared in making the reception as nearly perfect as possible. Glad indeed was West Texas to do homage to the "Lone Eagle of the Skies." This time in the lives of local citizens will long be remembered.

TWENTY YEARS AGO

(September 19, 1957)
J. B. Lee, who lives southwest of Aspermont, was the owner of the first bale of cotton of 1957 to be ginned here, according to Charlie Lambert, manager of the Aspermont Gin. The bale weighed 450 pounds out of 1900 pounds of seed cotton. The bale was ginned free.

Aspermont's fighting Hornets sounded a warning last Friday night, despite their loss to the Hermleigh Cardinals, that they are not to be counted out of the game until the last whistle has blown.

All of the scoring was packed into a blistering fourth quarter in Hermleigh Friday night when a highly-favored Hermleigh crew kicked off the second game of the season for both the Cardinals and the visiting Hornets from Aspermont with a whisker thin 6-0 decision over Coach Bob Jameson's crew.

Too much praise for their performance in

the game cannot be given to the fine Hornet defense, spearheaded by Seniors Butch Smith, H. W. Swink and Jim Dennis. Other linemen who gave good accounts of themselves while in the game were Bill Martin, James Dalby, Wesley Duncan, Eddie Jones, Joe Galvan and Donald Scott. (September 26, 1957)

A deal was consummated recently whereby Tom Hill purchased the Ferguson tractor dealership in Aspermont from Walter B. Hills, who had held this agency here for many years.

The agency, it is understood, will be known as Tom's Tractor and Implement Company, and will be the local distributor for Ferguson tractors and implements, and Massey-Harris tractors and implements. Massey Harris and Ferguson have just recently merged into one concern, it has been reported.

The new firm will be housed in the building now being occupied by Tom's Gas & Appliance Company, since Mr. Hill operated this business, too. New parts bins have been installed, and the tractor agency will be able to supply farmers in this area with their every need in this line of merchandise, as are informed.

Coach Bob Jameson's 6-B Hornets won their first ball game of the season on last Friday evening when they downed the 6-A Roby team in Lions Stadium at Roby, 14-6. Arthur Mancille and Arve Wilson accounted for the scores, and H. W. Swink kicked both of the extra points. Jim Dennis and H. W. Swink were co-captains for the game.

TEN YEARS AGO

(September 21, 1967)
The Aspermont Hornets went into the winning column this past Friday night when the Hornets hung their stingers into the hides of the Knox City Greyhounds to the tune of 54-0.

The Hornets travel to Rule Friday night to play the Bobcats.

Mike Samford fullback for the Hornets ran 68 yards on the front play to put the Hornets on the scoreboard. At the end of the first half, the defensive team of the Hornets had held the Knox City Varsity to only 4 yards rushing, 2 first downs and 12 yards passing.

(September 28, 1967)
The Aspermont Hornets put the stinger to Rule Friday night in Bobcat territory when the Hornets rolled up a 24 to 14 victory to put them with a two win and one loss record.

The Hornets begin district play Friday night in Aspermont against the Jim Ned Indians who also have a 2-1 season.

The annual Stonewall County Farmers Union Convention was held Saturday night at the courthouse.

Officers for this year are: L. A. (Pete) Sherrod, president; Carl Dickerson, vice president; Dean Clark, secretary-treasurer; Directors are Ivan Yarborough, Bay Hallum, E. M. Lawrence, Ansel Sawyers, Ervin Diers, Frank Hoy and Artie Boydston.

Screening Clinic

Set Wednesday

Aspermont—The state-sponsored screening clinic for area residents to be checked for high blood pressure, tuberculosis, diabetes and anemia will be held Wednesday at the Stonewall County Library from 10 a.m. to 2 p.m.

Marie Boyd, RN, of Roby is in charge of the free clinic in this district. She is assisted by qualified personnel in conducting the clinics here the first Wednesday of each month.

See Paintings

Aspermont—Kewpie Duncan, librarian at Stonewall County Library, reported this week that 369 person registered while visiting the library to see the glass paintings of Pat Ward on display.

The glass paintings were displayed for two weeks.

OLD GLORY

By BERNICE D. WHITE
989-2992

Cotton in this community seems to be almost all open in many fields and cotton strippers and haulers are busy gathering it in.

Mr. and Mrs. Herman Dugan, who have lived in this community for many years, and more than a few have been spent on their farm north of town, purchased the George McCoy place right west of town and have been busy moving. Their son and family, the Charles Dugans of Odessa, were here last week helping them, along with the Beaty Bryants, and their grandchildren also pitched in to lend a helping hand. We are glad to have the Dugans here in town and join with their many other friends in wishing them a lot of happiness in their new home.

We are glad to report that Mrs. Morris Garner, who has been very ill in the Haskell Hospital for a number of weeks, has had a turn for the better and was able to return home last Friday.

A. R. Sawyers visited in Mineral Wells last week with a cousin, Lineol Snider.

Dinner guests in the home of Mr. and Mrs. Beno Hertenberger last Sunday included the Gene Linder family of Abilene and Clay Terry. Mr. and Mrs. Granville Martin of Aspermont visited with Mr. and Mrs. Hertenberger Sunday evening.

Mr. and Mrs. Jerry

Callicoate of Midland were here last weekend visiting with Mr. and Mrs. Delos Callicoate, Guy Callicoate and Mrs. Adeline Letz.

Mr. and Mrs. Thomas Letz and children, Brian and Lori, also visited with Mrs. Adeline Letz, and Mr. and Mrs. C. T. Pierce.

Mrs. Letz accompanied Bernice White to San Angelo Sunday to visit with Mr. and Mrs. Don McDonald. They returned home Monday morning.

Aspermont Rites Set Today for Mrs. Fred Elkins

Aspermont—Funeral for Annie Pearl Elkins, 84, will be held at 2 p.m. today (Thursday) at First Baptist Church. The Rev. Clyde Cook of Shallowater and the Rev. James Woods, pastor of Central Baptist Church, will officiate.

Mrs. Elkins died at 6:05 a.m. Tuesday in Hamlin Memorial Hospital after a lengthy illness.

She was born June 25, 1893. She married Fred Elkins in Granite, Okla., Feb. 14, 1908.

She had lived in Aspermont 57 years and was a member of the First Baptist Church. Burial was in Aspermont Cemetery under the direction of McCoy Funeral Home.

Survivors include two daughters, Mrs. Earl Miller of Aspermont and Lillian Pinson of Corpus Christi; a son, M. C. of Aspermont; a foster son, Arthur Babb of Lubbock; a sister, Belle of Dallas; 13 grandchildren; several great grandchildren; five great-great-grandchildren; and several nieces and nephews.

She was preceded in death by her husband, three sisters and three brothers.

Pallbearers were Wayne Pinson, John Pinson, Lyndon Pinson, Buddy Miles, Thomas Beeman and Jimmy Elkins, all grandsons.

Aspermont—The Aspermont Junior High football teams will travel to Roby tonight (Thursday) with the first game starting at 6:30.

Philosopher Figures Out A Way to Solve Grain Surplus And Guarantee Prosperity

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One tackles a big problem this week.

Dear editor:
A lot of people had rather worry about a problem than try to solve it.

Take the surplus of grain. The country's got so much of it we've about run out of space to store the stuff and farmers have about gone broke raising it.

Experts have been wracking their brains trying to figure out what to do. A few years ago they tried lending Russia money to buy wheat from us at a cheap price and it worked for a while till Russia's note came due.

I have a better idea. There are about 215 million people in the United States. If each one would gain 20 pounds mostly from eating more bread, that'd put a 12,900,000,000-pound dent in the wheat surplus, figuring it'd take about 3 pounds of

bread to put one pound of weight on a person. I don't know exactly what the conversion rate is, it hasn't been figured for humans, only for cattle, chickens and hogs.

As the wheat surplus is eaten away, the price of wheat goes up and wheat farmers can start breaking even. Next would come corn. I don't have time to calculate this, but it ought to be a snap for the Department of Agriculture statisticians to figure out how much cornbread we'd have to eat to swing it.

I'd like to point out that having everybody gain 20 pounds would have far-reaching effects on the entire economy, not just on agriculture. The clothing industry would boom naturally — nobody's present clothes would fit. That in turn would increase the consumption and therefore the price of cotton, buttons, zippers, belts, etc. zippers, belts, etc.

Moreover, after all this got the economy roaring ahead, the dieting industry would boom as everybody started reducing, which in turn would again boost the clothing industry when clothes once more wouldn't fit.

Repeated aperiodically, fattening up and then slimming down, we'd have the key to endless prosperity. Forget about gas guzzling and concentrate on food guzzling.

However there's one flaw in this. Doctors will tell you that being too fat is dangerous to your health and they ought to know — so many of them are over-weight themselves.

Yours faithfully,
J.A.

They all paid MORE per KWH than we pay!

The average cost per KWH of electricity is lower today than it was for the first 70 years of the electric light but we use a phenomenal amount of power. From an average of 121 KWH per month in 1948 we are now averaging more than 850 KWH per month and our use of power grows each year.

The member-owned electric cooperative can't do much about wholesale power prices nor the higher cost of generating fuels. But we can and do exercise every economy to deliver power at its lowest possible cost.

Where the electric cooperative controls the costs — the costs stay under control.

Comptroller's Office to Visit Every Business In State

Austin—Comptroller Bob
Bullock alerted Texas
businessmen last week to
begin looking for a friendly
visit from a Comptroller's
enforcement officer some-
time during the next nine
months.

The Comptroller said that
the enforcement officers from
his 40 field offices will
fan out across the state with
the goal of offering personal
assistance to each and every
Texas business.

A testing of the canvassing
program in July showed that
19 percent of taxpayers con-
tacted required assistance or
needed permits, he said.

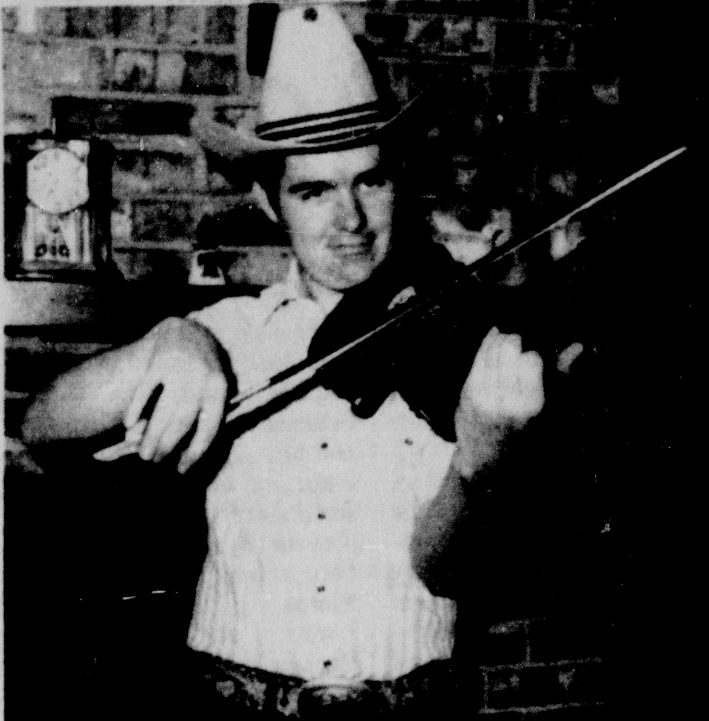

"The theme of this project
is taxpayer assistance,"
Bullock said. "We have found
that in many instances only
personal contact can
eliminate errors that even-
tually prove costly both to the
taxpayer and the Comptroller's Office."

He said his employees,
armed with smiles and
packages of taxpayer in-
formation, will be knocking
on doors with the hopes of:
—providing education to
taxpayers;

—making sure every
business is properly per-
mitted;
—establishing personal
lines of communication
between taxpayers and the
individual enforcement of-
ficer responsible for the
area;
—updating Comptroller's
Office records;

Hamlin High School
Homecoming is Oct. 27-28.

Aspermont High School
Homecoming is Oct. 14-15.

TO PERFORM HERE—Ricky Boen
of Odessa, grandson of
Mrs. Jack Galloway of Hamlin,
will be performing
Saturday at the Dairy Queen in
Hamlin, according to Mrs.
B. J. Waddell, owner. Boen, 16,
is the son of Mr. and Mrs.
Darrell Boen and is a junior at
Permian High School in
Odessa. He has been playing the
fiddle for seven years, has
won several contests, and has an
album just released. Backup
music will be by Shorty Crawford,
Odell Crawford, Walter Miers,
J. P. Boyd, Darrell Boen and
Joe Wallin. Mrs. Waddell in-
vited the public to bring chairs
and enjoy the performance from
6 to 8 p.m. There is no admission.

Dyess Air Force Base Sets Open House Saturday

Dyess Air Force Base is
planning to open its doors to
the public Saturday. From 10
a.m. until 3 p.m., the 96th
Bombardment Wing will host
an Open House.

Attractions will include
static display aircraft,
ranging from cargo planes to
fighters, displays by various
Dyess units and a tactical
exercise by the 463rd Tactical
Airlift Wing.

In addition to the air drops
by the 463rd's C-130 Hercules,
Combat Control Team
parachutists will demon-
strate their skills.

Dog lovers will have a
chance to see the Air Force's
famed military working dogs
in action. These highly
trained German Shepherds
specialize in bomb and
narcotics detection.

While the 96th Security
Police Military Working Dog
section is resting between
demonstrations, visitors can
take advantage of the
numerous static displays,
including at least a dozen
antique cars and square
dancers. There will also be
refreshment displays for the
hungry and thirsty, and two

CB radio clubs, "good bud-
dy".

Static aircraft will include
bombers from the past and
present. A B-47, which will
soon be on permanent mount-
ings, will be on display, along
with the current 96th BW
operational aircraft, the B-
52D Stratofortress and KC-
135 Tanker.

The venerable KC-97
tanker will also be on display,
along with a C-130, T-38 jet
trainer, CH-53 helicopter, C-
141 Starlifter and Marine F-4
Phantom.

Ex-Student Officers Set Theme for Parade

Officers of the Hamlin Ex-Student Association met at Mar-Jo's Merle Norman Studio Monday afternoon for a planning session for the 1977 Homecoming activities.

Sam Mack Hodges, president, presided. Other officers present were Holman Jones, first vice president; Mrs. Hodges, treasurer; Mrs. Parker Kelley, reporter; Mrs. John Edd Day, Mrs. C. R. Reynolds, Mrs. Robert Fowler and Mrs. Holman Jones, secretaries.

"Wonderful World of Make Believe" has been announced as the theme for the Homecoming Parade Oct. 29.

Two divisions, beauty and open, will be judged in two categories. School organizations and classes as one category and business and civic groups as the other.

Open division judging will be on cleverness, originality and how well the theme is carried out. The beauty division will be judged only on beauty.

Three prizes will be awarded in each division, first, \$50; second, \$30 and third, \$20. A theme prize of \$10 will also be presented.

Prizes to the top three decorated bicycles will be \$10, \$8, and \$6.

The parade will be at 10:30 a.m. and the officers urge community participation in the event.

Letters have been mailed to the ex-students and teachers. The secretaries ask all local residents to give new addresses of any out-of-town student that they may have.

The next meeting will be at 5:30 p.m. Monday, Oct. 10 at Mar-Jo's.

Funeral Services Held Monday for Mrs. Faye Harris

Faye Harris, 72, an area resident since 1923, died at 7:50 p.m. Saturday at Hamlin Memorial Hospital after a lengthy illness.

Funeral was held at 3 p.m. Monday at First United Methodist Church with the pastor, the Rev. Howard Marcom, and the Rev. Howard Jones, pastor of First Baptist Church, officiating.

Born March 11, 1905, in Johnson County, she was the daughter of the late Mr. and Mrs. Walter S. Peacock.

She married Vernon Harris at Boyd's Chapel Oct. 18, 1923. He is a cattleman.

Mrs. Harris is a member of First United Methodist Church at McCaulley.

Burial was in McCaulley Cemetery.

Survivors include her husband and one sister, Mrs. Ellen Galloway of McCaulley.

Pallbearers were E. B. Fomby, Norman Carlton, Clyde Lewis, Kenneth Parker, Billy Joe Wilson and Audrey Hodnett.

Honorary pallbearers were Burl Sauls, Ralph Riddle, Ralph Hallums, Bill Smith, O. B. Cox of Anson, Roy Jordan, Hollis Madden, Tom Pritchard and Farmer Blackwell.

Hillsboro Rites Held Saturday For Mrs. Carr

Services for Aleatha Jane Carr, 99, were held at 2 p.m. Saturday at Marshall and Marshall Funeral Home Chapel in Hillsboro. She had lived 33 years in Hamlin.

Mrs. Carr, a resident of Holiday Lodge since 1966, died at 9:50 p.m. Wednesday at the nursing home.

The Rev. Jeff Moore of Dallas officiated. Burial was in Hillsboro Cemetery.

She was born Feb. 11, 1878, in Tennessee. She married William A. Carr, Dec. 27, 1896, in Armar. She was a member of the Methodist Church.

Mr. Carr died in 1939.

Survivors include five daughters, Zella Moore of Hillsboro, Una Gilmore of Elgin, Winnie Hopkins of Waco, Nell McQuire of Hamlin, and Mary Smith of Borger; 17 grandchildren; 27 great-grandchildren and 11 great-great-grandchildren.

She was preceded in death by two sons and two daughters.

Grandsons served as pallbearers.

McCauley Rolls Over L-A, 47-12

McCauley —James Kemp scored four touchdowns at Lueders Friday night to give the McCauley Eagles their second win of the season. The Eagles knocked Lueders-Avoca from the unbeaten ranks by overrunning the Raiders 47-12 in a six-man game.

Joining Kemp in the scoring column were Todd Stevenson with two touchdowns and James Jeffery with one. The Eagles are now 2-2 for the season.

Lower the water heater thermostat, advises Mrs. Nacy Wilburn, County Extension Agent. "Save more than 400 kilowatt hours per year by lowering the electric water heater from 150 degrees to 130 degrees," says the agent.

McCauley Junior High—Cheerleaders for McCaulley Junior High are, clockwise, from 1 o'clock, Shauna Bell, Tami Jeffery, head cheerleader; Rita Wilkerson and Dena Lafler, mascot.

Seven Hamlin Scouts attended a leadership development course sponsored by the Chisholm Trail Council at Camp Tonkawa during the weekend.

Steve Campbell, Kevie Benningfield, Bobby Wall, Leslie Winegeart, Johnny Chase, John Bill Maddox and Gordon Roberts attended the session along with 57 other Scouts. They were instructed in basic leadership skills in running a patrol and a troop.

New Members—

Four new members were added to the membership of the Hamlin Boy Scout Troop Monday evening at the hut when the new troop leaders council was formed.

New members are Leslie Winegeart, Charles Speck, Donnie Ofenstein and Evan Riggs.

The new council includes Steve Campbell, senior patrol leader; Mitch Lawlis, assistant senior patrol leader; Johnny Chase, Roadrunner patrol leader; Gordon Roberts, Viking patrol leader; Billy Bond, Bear patrol leader; Billy Howerton, Gator patrol leader; Wendell Roberts, Badger patrol leader and Britt Cary, Scribe.

The Troop leaders council is responsible for the planning and carrying out of troop activities and functions.

The local Scouts plan to attend the Chisholm Trail Council Fall Camporee Oct. 14-16 at the Harris King Ranch, northwest of Abilene.

Anyone wishing to join the local troop may come to the meetings on Monday evenings from 7 to 8 at the hut.

Shortcourse for Sheep Producers Planned in Roby

A two-night shortcourse for sheep producers in the southern Rolling Plains is scheduled Monday and Tuesday in the Fisher County Courthouse at Roby.

Fisher County Extension Agent Richard A. Spencer said the following topics would be discussed:

—Rolling Plains resources for production, the lamb and wool market outlook, associations that can help producers, and the production potential with sheep.

—A calendar of events in sheep management, growth stimulants for lambs, and the selection and breeding for profit.

The Texas Sheep and Goat Raisers Association will host a lamb barbecue at 7 p.m. Monday. The program begins at 8 p.m. on Monday and at 7:30 p.m. on Tuesday.

Speakers besides Spencer
